

NORTH FARMINGTON HIGH SCHOOL BAND & ORCHESTRA BOOSTERS FUNDRAISING CALENDAR

Why is it important to fundraise? The NFHS Booster organization enhances the musical education of all band and orchestra students. Last year the boosters raised over \$20,000!!! Of this money, 80% goes toward bringing clinicians into the classrooms. They are experts in their respective instruments who work in small group settings directly with the students. The remaining 20% covers current gaps in the district funding for instrument repairs, maintaining/replacing the uniforms we provide, uniform purchases and any miscellaneous needs that arise.

Please mark your calendar and join the FUN!!!
