

North Farmington High School Band and Orchestra Boosters Fundraising – Grocery Cards

Add money to your student's band/orchestra account with programs at Kroger, Hiller's & Busch's.

For Kroger's, just set up a Kroger's account at www.krogercommunityrewards.com and link your Kroger Plus Card each year to NFHS Band/Orchestra, organization # 83120.

For Busch's, the NFHS B/O Boosters will sell you a card for \$5.00 that already has a \$5.00 balance on it to be "recharged" at the store as you need.

Hiller's cards have a \$0 balance to start. To recharge your card, you have to PAY FOR YOUR RECHARGE FIRST under a separate transaction and then make your purchase. This can be done at the register before your order is rung up or at the service counter.

The stores give the Boosters a percentage of every dollar sold. Part of the earnings is allocated to your student's account with the Boosters. What an easy way to earn money. You never throw out the card because it has a bar code number which enables the earnings to be credited to your student's account.

Program Highlights:

- The cards can be used year-round and recharges can be paid with a credit card, cash or check. FYI, at Busch's your rebate is reduced if you pay by credit card, but not if you pay with cash, check or debit card.
- You can purchase or link more than one card to be used by your friends and family members – just be sure they know to "recharge" it.
- We keep a log of cards issued so we may credit your student's account. For Krogers, send an e-mail with a list of family members names and your child.
- The card may be used for anything in the stores with the exception of services.
- Your card can be recharged in ANY amount up to \$500.
- A card left with a \$0 balance for 90 days is voided. You can check your balance anytime by checking your latest receipt or calling a number on the back of the card.

Meijer and Gordon Food Services have similar fund raising programs. They have cards that you use every time you make a purchase which provides the Boosters with a percentage of sales. All monies earned go directly to the Band and Orchestra Boosters account which support our students' music programs. You may sign up for the cards at the stores. The Meijer card is available on-line and North Farmington's school code number will be on the list given on the Meijer website or the store can provide that for you. You may also sign up other friends and relatives using your card number.

**North Farmington High School Band and Orchestra Boosters
Fundraising – Grocery Cards**

Mail your order form to: Mary Johnston 28851 Creek Bend Drive, Farmington Hills, MI 48331. You can make arrangements to pick up your card by calling 248-489-3879 or include a stamped, self-addressed envelope for it to be mailed to you.
