

## NFHS BAND AND ORCHESTRA BOOSTERS

### SILENT AUCTION CONCERT

FEBRUARY 15, 2012

Dear Local Community Member:

**The Band and Orchestra Boosters are supporting a silent auction sponsored by the Orchestra students of North Farmington High School.**

**Proceeds will benefit the music program and pay the professional clinicians hired to run group-specific rehearsals with students on their instruments.** Clinicians address improving technique, strengthen music skills and work on difficult music passages with our students. They also work with both individuals and sections on music topics which cannot be addressed in the classroom or an overall rehearsal. Our students' musical experience is enhanced and improved when clinicians come into the classroom. Farmington Public Schools do not provide funding for these clinicians.

**We are asking for donations for the silent auction.** Since NFHS Band and Orchestra Boosters is a 501(c)(3) organization, your contribution would be tax deductible as allowed by the Internal Revenue Service. Our Federal Tax Identification number is 38-2206616. Any contributions with a value of over \$250.00 will receive a letter documenting your contribution. Also, every participating business will be mentioned in our program and in through local advertising vehicles.

**Any and all contributions are welcome to help our students raise funds to enhance their education.** Please see the enclosed Donor Form. Plan to join us for the Silent Auction and the Orchestra concert on February 15, 2012. Doors open for the Silent Auction at 6:00 p.m. with the concert beginning at 7:30 p.m. If you have any questions, please contact our Silent Auction chair, Terri Rausch at 248-324-3114 or [terrirausch@yahoo.com](mailto:terrirausch@yahoo.com)

Warmest Regards,

Patrick Ahern
