

NORTH FARMINGTON HIGH SCHOOL BAND & ORCHESTRA BOOSTERS

2016-2017 FUNDRAISING CALENDAR

Why is fundraising important?

The NFHS Boosters organization exists to enhance the musical education of all band and orchestra students. We are able to assist your students in part because of the monies that are either donated during Tag Days or raised through the various fundraising opportunities we provide.

During the last school year, these efforts provided over \$20,000 that funneled back to the program - - 80% toward bringing instrumental clinicians into the classroom and 20% toward gaps in the district's funding for instrument repairs, uniform upkeep, as well as other unforeseen needs that arose – like our bass drum!

PLEASE MARK YOUR CALENDARS AND PLAN TO PARTICIPATE:

October: *Tag Days - Friday, Oct 7 and Saturday, Oct 8

October/November: Morley Candy Sales – Pick-up date, Wednesday, Dec 7

December: Poinsettia & Wreath Sales

February/March: π Pie Day – Pick up date - Tuesday, March 14

April: *Bottle & Can Drive – Saturday, April 22

*"Tag Days" and the "Bottle and Can Drive" are our main fundraisers so every student is expected to participate.

THANK YOU in advance for your time and effort that will make these fundraisers a success!
